To Whom It May Concern:

Phthalate and Lead Declaration

We are responding to your request for a declaration of compliance, concerning phthalates and lead, for our products. Our cleaning chemicals, emulsions, and Enviroline® Discharge Inks **do not** contain any Phthalates. These products **are** in compliance with the “Lead” requirements of the CPSIA, “lead is <90 ppm. Our products are in compliance with the Consumer Product Safety Improvement Act (CPSIA).

Thank You,

D.L. Boren
Technical Director
